Dear Sir/Madam

My name is Jayne Marshall and I come from Kroonstad, a small town in the Free State Province. I have always had a passion for helping others and that is what led to me to study Dietetics. I am currently in my second year of studying towards a B.Sc Dietetics degree at the University of the Free State. I was blessed to be awarded the ADSA bursary towards my studies for the next three years, starting from this year.

The bursary will help me tremendously because we are unable to finance my studies for the remaining three years because of my family's circumstances. The bursary will cover most of my fees thus taking a great burden off of my shoulders.

I am a hard worker and will always do my best to strive towards success. One of my favourite quotes is: "Education is the most powerful weapon which you can use to change the world." – Nelson Mandela
